

Benya Marine Group

The stable side... in the most volatile environments.
Specialized and comprehensive marine supplies
and services.

01-Our Story

In 2014, our vision was born out of necessity... the need for marine solutions that Realize challenges, reflect reality, and Keeping up with the future .

At a time when marine services lacked precision and professionalism, Benya Marine was launched with an ambitious vision to enhance the efficiency of the maritime sector and provide specialized commercial Services that keep pace with the precise and vital nature of the field.

Since then, we have developed a wide range of specialized technical services, including:

- Navigation and communication systems
- Rescue equipment and ship safety solutions
- Monitoring and measurement solutions

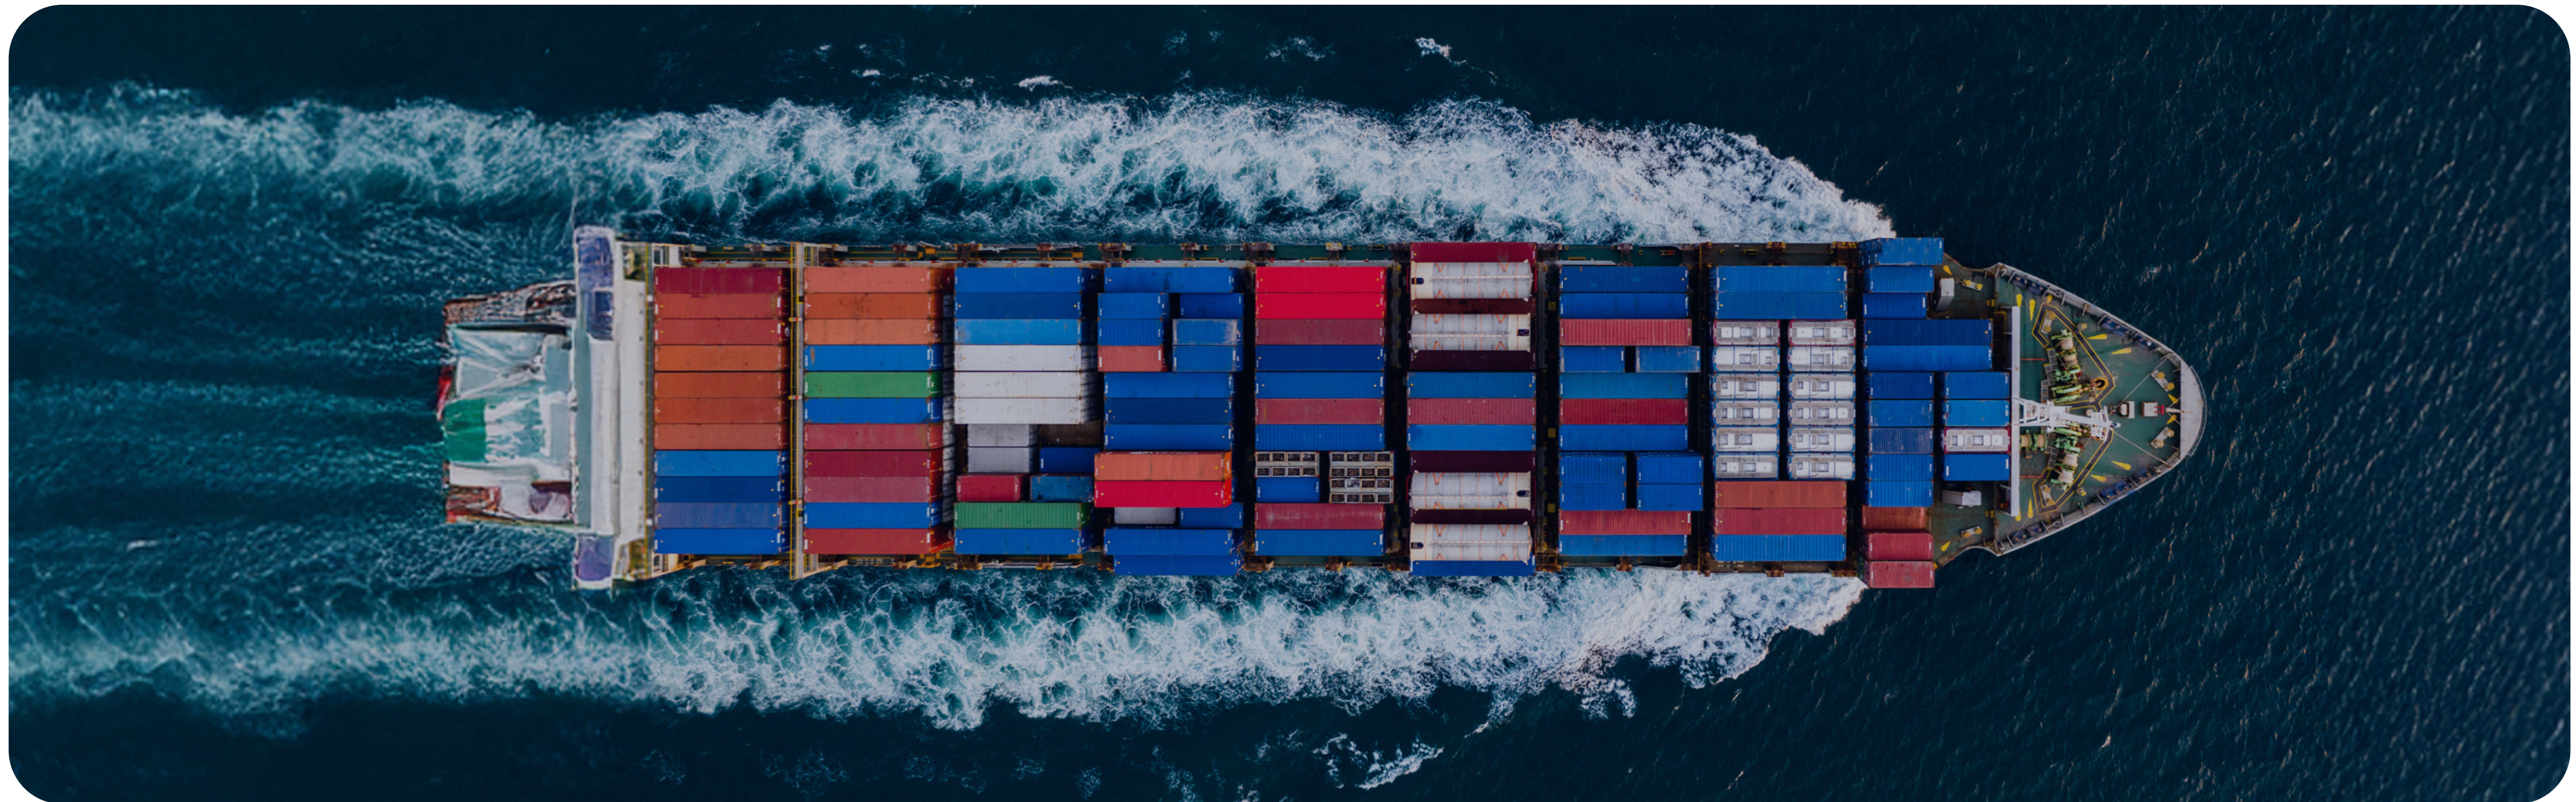

All are designed to meet the needs of ships, ports, and coastal facilities in line with the highest standards.

02-Who Are We

We are a pioneer Saudi group specializing in providing comprehensive marine solutions and technical services. Our goal is to enhance the operational readiness of ships, ports, and coastal facilities.

03-Our Vision

To become one of the leading Saudi companies in delivering high-quality marine products and services, through solutions that enhance the efficiency of the maritime sector and strengthen its presence on the regional level in alignment with the goals of Saudi Vision 2030 by building an advanced logistics ecosystem that supports the economy and meets future aspirations.

04-Our Message

We believe that safety, precision, and smooth execution are not a luxury... but the foundation of every service we provide.

That's why we deliver specialized technical solutions tailored to the maritime environment, implemented with strict standards ensuring our clients' needs are met with clarity and confidence.

05-Our Values
